

Welcome to BLACKBURN'S and thank you for your order...

We are pleased to provide your wound care supplies. As a provider of Home Medical Equipment & Supplies since 1936, we are committed to your health care needs. Our staff of professionals will work with you to ensure you receive the best wound care supplies or equipment available to meet your needs. We strive to do this in a way that is safe for you and your family. Your health and well being is important to all of us at BLACKBURN'S.

BLACKBURN'S staff, which includes Nurses, Pharmacists, Respiratory Therapists, Assistive Technology Professionals (ATP), Rehab Mobility Service Technicians, and Certified Environmental Access Consultants, are here to match your needs with the proper equipment and supplies. BLACKBURN'S Customer Service Representatives are well trained and will assist with the ordering process.

Our goal is to work together to see that all aspects of the care and services you receive are handled in a professional and efficient manner. We strive to help you maintain your current activity level in your home. We want to provide continuity of care, focusing on your ongoing health care needs and working towards the goal of high quality medical care.

We encourage you to ask any of our trained professionals questions related to your wound care and look forward to making your experience with BLACKBURN'S a positive and productive one that will enhance your state of health.
