

# HAR-KEL'S AVAILABLE MEDICAL SUPPLIES

HAR-KEL's goal is to make the ordering process as simple and reliable as possible.

To ensure this we do the following:

- Help determine if the supplies ordered are a covered benefit under the customer's insurance policy/policies.
- Assist in obtaining proper documentation for covered supplies.
- Make "re-orders" stress free with HAR-KEL's Recur System.
- Work with healthcare providers (physician, home health agency, skilled nursing facility, etc.) to ensure that the supplies provided best fit the patient's care plan.
- Answer questions and be a resource to all HAR-KEL's customers and healthcare providers.
- Educational in-services available upon request for healthcare providers.

\* This brochure is not a complete list of available supplies from HAR-KEL.
